SKIN CARE SERIES

Skin care products are the foundation of a healthy and radiant complexion. With formulas specifically developed for each skin type, AYS Kimya effectively provides the moisture, care, and protection your skin needs. Our products deeply nourish and renew the skin, increasing its resistance to external factors.

Our skin care lines, produced to high quality standards, are developed with ingredients inspired by nature. With our wide range of products that can be used in every step of your daily care routine, we offer reliable and effective solutions to brands.

ACTIVE GLOW SERUM

30 ML

Active Glow Radiance Serum helps create a plumper, more radiant complexion. It's suitable for all skin types and tones, including sensitive skin.

SERUM

Serums, with their rich ingredients, are one of the most effective steps in a skincare routine. At AYS Kimya, we develop lightweight yet powerful formulas to address various skin needs. Whether anti-blemish, moisturizing, brightening, or anti-aging, each serum aims to boost skin's vitality and enhance its appearance.

ARBUTIN SERUM

30 ML

It helps eliminate skin tone inequalities and supports a more vibrant and brighter skin appearance with regular use.

AHA BHA SERUM
